

Celebrating Success

Judge
Robert D. Schafstall

Judge Schafstall chose Compass Park Indiana Masonic Home for his rehabilitation stay.

“The nursing staff was top notch. Karen and Jennifer catered to my every whim. I was not here under the best of circumstances, as my wife was passing away. I appreciated that the staff were all accommodating with my wishes to go home and spend time with my wife throughout my stay. I was always treated very well, respectfully and kindly by Karen and the nursing staff. I know Karen worked really hard on my discharge plans to accommodate not only my wishes, but my families wishes as well. I would definitely recommend the Health Center to anyone. If I ever need to come back to a place, I will come back to Compass Park.”
