Class Descriptions

Water Aerobics – Consists of cardiovascular and muscle conditioning segments in shallow pool. Water buoyancy provides extra support for back or knee problems.

Arthritis – A shallow water exercise program proven to help you live better with arthritis. Suitable for every fitness level. Reduce pain and stiffness while increasing strength, flexibility and endurance.

Aquatic Splash – Full body water workout set to fun, upbeat music designed to increase range of motion, cardiovascular conditioning, strength and coordination.

Senior Circuit – This circuit class will provide a full body workout helping with balance, strength, and flexibility. Each station will have an exercise incorporating a different piece of gym equipment.

Rock Steady – Non-contact, boxing-inspired fitness curriculum specifically designed for people with Parkinson's disease (PD). ****Assessment is required prior to class participation.**
