## January by John Updike

The days are short,  
The sun a spark  
Hung thin between,  
The dark and dark

Fat snowy footsteps  
Track the floor  
And parkas pile up  
Near the door

The river is  
A frozen place  
Held still beneath  
The tree's black lace

The sky is low.  
The wind is gray.  
The radiator  
Purrs all day.
